

Circus Eruption - Story Pack

We need you :-)

We welcome all former St Luke's congregation alongside all past and present Circus Eruption participants, volunteers, and facilitators to join in this ongoing heritage project.

All we ask is for you to share your story with us in whatever way best suits you.

Below is a menu of options to choose from:

1.

Contact Bill Taylor-Beales the Creative Practitioner facilitating this gathering and showing of stories and artefacts. Bill would love to chat to you and work out the best way for you to share your memories with us - this could be a phone conversation - sending in photos - videos etc.

Please email: bill@billtaylor-beales.com

2.

Chatterpix - there is a free app called Chatterpix / Chatter Kid and this is very simple to use. Simply download onto a smart device take a picture of anything connected to your story (see below for Mini people option)- draw a mouth and record up to 30 seconds of your own story / memory / thoughts.

3.

Alongside Chatterpix we have below two images you can download and print out to colour in - these can then be used to make your Chatterpix mini person - please see the videos on the Circus TV page to see how they look.

It is our hope that we will eventually have a Mini version of everyone who has ever used the building or been a part of the Circus Eruption story. These will be displayed in the building within the Heritage framework instillation.

Your story is simply any memory that you wish to share that shows how the building - the people - Circus Eruption - former St Luke's congregation have had a positive impact in your life.

We are looking at:

Community:

finding connections with others who share journeys of life experience with you - this might be faith journeys or more tribal connections.

Celebrations:

this building has seen so many people celebrating key moments of their life from Dedications - Christenings - Confirmations - Weddings - Funerals

Collective:

so many other groups use the building outside of the previous congregation and Circus Eruption - this is a space that can hold: Choirs - Zumba - Cubs - Brownies – etc

The most often used word we keep getting from both Circus Eruption folk and Former St Luke's is the word **FUN!**

Please do get in touch and share yours.

Cheers Bill.
